

Fun World War Two Facts

1. Many people believed that the war would only last for six weeks.
2. In 1920 Princess Elizabeth (now Queen Elizabeth II) broadcast a radio message to evacuees.
3. Lots of people were poorly with viruses including colds and flu, which caused Britain to lose 20 million working days a year. That's enough to build 3500 tanks!
4. People used torches to walk around at night, as there were no streetlights. They covered the lens with paper to dim the beam.
5. Anderson shelters were covered in soil. People would grow vegetables and flowers on top.
6. Fire watchers carried a dustbin lid. They used it to shield the heat when putting out firebombs.
7. Old Christmas cards and crackers were turned into cartons for explosives.

A decorative border of 50 globe icons surrounds the text. The globes are arranged in a rectangular frame, with 15 globes on each of the four sides (top, bottom, left, and right). Each globe is a stylized representation of Earth, showing continents in green and oceans in blue, with a grid of latitude and longitude lines. The globes are slightly tilted and have a 3D effect with shadows.
