Dear Parent

20<sup>th</sup> January 2020

***AQE / GL***

I would like to thank all our P7s for their hard work last term, and to those awaiting results on Saturday, may I take this opportunity to formally wish each and every one my best wishes. May I also thank the P6 and P7 staff in particular, for preparing the children so thoroughly, both emotionally and educationally. On Saturday 25<sup>th</sup> January your child will receive his / her grade by post. This can be a stressful time for both children and parents especially if your normal post is delivered late or if the postman is delayed! I will be available from 0830-0930 should you need to contact me on 07533347865. I would ask that all calls (except emergencies) are made during this period.

***PTA Table Quiz***

This popular event will take place on Friday 28<sup>th</sup> February at 1945 in the Sportsclub. Tickets priced £5.00 are available from Mr Moore or Mrs Dobson.

***School Fund***

I would remind parents who opted to pay in three termly payments that the next instalment of £10.00 is now due. Any parents who forgot altogether to make a payment in September – late payments welcome!

Yours sincerely

S.H. Moore
